The Romance of Transportation Tokens

There is a fabulously interesting and inexpensive hobby that is closely allied with numismatics which I doubt if many coin collectors know exists. This is the collecting of Transportation Tokens (tokens good for one ride, fare, etc.). While this includes present day bus tokens - the more romantic and historical phases of the hobby are brought forth in the collecting of old omnibus, horsecar, bridge, ferry, and street car tokens and the digging up of the interesting stories behind the tokens.

There are over 5000 tokens of all kinds and varieties known to the present day collectors. These tokens give a vivid picture of the history and development of public transportation in the United States over the past 120 years. The first fare tokens were issued by the Roxbury and Maverick Coach Omnibus Lines of Boston, Mass. These tokens are now valued from \$3.50 to \$5.00 by token collectors.

Just as the coin collector has catalogs that help him evaluate and classify his coins - so does the collector of transportation tokens. The Atwood Check List of American Transportation Tokens lists in alphabetical order state by state broken down to city by city listings of all known tokens and gives valuations. Louisville, Ky. is the number one city with the most issues with seventy-five tokens. Pennsylvania leads with the most cities that have used fare tokens at one time or another with an even 100 cities and towns listed.

Your author, being stationed with the Air Force way up in cold Alaska, has nearly 4000 different tokens in his collection. There are not many transit companies up here but there are still a few tokens. I am always interested in buying, selling and trading fare tokens with interested parties and will be glad to answer any questions I can about token collecting.

STANDING LIBERTY 25¢

The above photo shows a 1928-D in B.U. condition. The three highest points are the head, shield and knee. These points have the most wear, the knee probably the most. It is noted on many Uncirculated S.L. 25¢ although the coin is Brilliant Uncirculated the knee is slightly worn or flat, due to its high relief. The pressure weight of other coins and the slight friction, causes the knee to look worn, actually it never hit circulation. The same goes for the head which is described as (full, partly flat, and flat). This is due to pressure also. A full head is worth more than prices listed.

On earlier issues the date wore down considerably and most times not visible. As of 1925 the pedestal was designed with a recess for the date which proved to be more durable to wear.

The arrows to the bottom left and right point to the Mint mark D for Denver and the letter M, the designers initials (Macneil).

On the reverse of this type quarter the breast of the eagle is the highest point of wear.

More descriptive photos of different type coins will be published in future issues.

New Rotary Presses Installed at Bureau of Printing and Engraving

The new presses designed by Thomas De La Rue & Co., Ltd., of England are being installed at the Bureau of Engraving and Printing in Washington. Under a 15-year agreement the American firm of R. Hoe & Co., Inc. will be responsible for maintenance, repair, spare parts and any future design modifications.

A dry process of engraving will be used and the sheets will be of 32 notes instead of 18 now used on wet process plate presses.

The dry method requires equipment with greater precision and plate pressures. A prototype model has been tested in Washington for two years.

Of particular interest to paper money collectors will be the addition of the motto "In God We Trust" when the new presses begin production notes for circulation.

FROM THE EDITOR'S DESK

HELLO! This is "yours truly". The purpose of this photo is, should you recognize me at the A.N.A. Phila. Convention, make yourself known. I'd be happy to meet you personally. I took "Tennessee Ernie's advice (Ernie Ford) well known T.V. Ford show, and bought me a new 1957 Ford Station Wagon. It comes in very handy when we deliver some 950 lbs. of our "Eaglet" copies to the Post Office each month.

By now most of our readers have had their vacations, with the old saying, "I could use another week to recuperate from the vacation."

Orders for 1957 Proof sets are at a new high, at its present rate it should surpass the 1956 orders. This indicates many speculators. Some one million sets will be struck for 1957 if the present rate continues.

Increases in postal rates are now in effect, it is advisable to check with your post office for the various new rates.

Our staff, writer Earl McBrayer of Cinn., Ohio, had a table at the "Upper Midwest Convention" you will note his report on this page. He met and exchanged points of view of the coin hobby

with Mr. Chester Krause, publisher of the Numismatic News, of Wisconsin.

Earl signed up quite a few new subscribers, in fact more than usual at a convention. He also made many friends, thus spreading good will and acquainting many coin hobbyists with our "Flying Eaglet". Our readers our best advertisers, can also help spread the flight of our circulation to every nook and corner of the country by interesting their friends to read and patronize our advertising sales ads.

Our special subscription rates still holds good to all clubs, for subscriptions of \$1.00 each per 10 or more members. Ask your secretary or club president to mention our offer to the members at the next meeting. This is a savings of 50%, or two subscriptions for the price of one, so get in on this big savings! Get a group of 10 or more names together at a dollar each and send it to the editor, that's all there is to it.

Items that may be of interest to our readers! The Five states comprising the bulk of our readers are in order, N. J., N. Y., Pa., Ohio, Calif., with R. I., Del., Nevada, Miss., N. H. having the least.

Noting a number of estimates of the amount of collectors there are in the U.S. by qualified persons, I would like to offer my opinion. Through surveys of various publication circulations, conventions, I venture to say there are some 60,000 active collectors, 100,000 collectors that show interest, 25,000 collectors who have collected coins at one time or another, and some 5,000 new collectors who get interested yearly. My guess is there are some 200,000 collectors in U.S., with the average collector's collection valued at \$300. to \$1000. per.

The American Numismatic Association's convention being held at the Sheraton Hotel in Philadelphia, August 20-24 and should bring the largest turn out ever had during the past years. With many interesting and enjoyable events in store for the visitor. The A.N.A. is the largest group association in the country. The officers and committee members are to be commended on there fine work and efforts to its contributions to the coin hobby. If you live near by or are passing thru Phila. try to attend. Your Editor hopes to attend and would be happy to meet you personally, to talk coins, problems or just for a plain Hello. The Phila. location is ideal for most collectors in the area and East coast. Plan to attend. The next A.N.A. convention will be held in California, for 1958. Further information of the August 20-24 convention can be had by contacting General Chairman Arthur Sipe, 4021 Bonsall Ave., Drexel Hill, Pa.

UPPER MIDWEST COIN COLLECTORS' CONVENTION

by Earl A. McBrayer

Although your writer had flown before he never had a more beautiful flight than that between Cincinnati and Chicago. It seemed an encouraging beginning for the trip to Minneapolis for the Upper Midwest Convention. The next portion of the journey was most enjoyable also as it was made by auto as the guest of Mr. Ben Odesser, enthusiastic and personable collector from Chicago.

Mr. Arnold Homberg, General Chairman of the Convention, had kindly made reservations in the Hotel Andrews of Minneapolis for the Flying Eaglet's representative, so there were no worries as to accommodations. Incidentally, a general chairman apparently is expected to do a little of everything. Mr. Holmberg never seemed to stop working.

After checking into the hotel your reporter watched the busy preparation for the three day convention which was to begin June 21st (next day) and last through June 23rd. There is a great deal involved in setting up tables and exhibits. An experienced hand or two are worth their weight in 1931-S's!

Since The Flying Eaglet is dedicated to help collectors and potential collectors with the pursuit of their interests a table was occupied by your writer with the announced purpose of free evaluations and answers for anyone with coins. This offer found so many takers that there was no time for dinner for three straight days. It became a little discouraging. However, to tell so many people that their Scandinavian coins which were brought over to

Mrs. Rena Bartsch of 710 1/2 Broadway, Bismarck, N.Dak. is shown holding her copy of our "Eaglet". She was the winner of the door prize of a 1 year free subscription.

America over fifty years ago simply did not find the market among collectors that recent uncirculated 1939-D cents commanded!

Saturday night was banquet time with the main address being delivered by Mr. Harold Baker of Des Moines, Iowa. His excellent talk contained valuable advice for the beginner as well as the advanced collector. Mr. Baker is an expert on Iowa State Bank Notes. Another highlight of the banquet was the accordion music played for the collectors by Russell and Millie Nyberg.

While in attendance at the banquet it was a pleasure to speak with Mr. R. Aleksic who has a shop called "Pictures of Paris" in Chicago. Mr. Aleksic is a coin collector.

During the wind-up of my visit I had the opportunity to speak with the genial Mr. Leo Young of Oakland, California, who served as auctioneer at the convention. He reported the following as highlights of the sale:

11 piece U.S. gold commemorative set Unc. \$640.00; Br. Unc. 1916-D dime \$250.00; Roll 1909-S VDB cents average VF. \$1750.00; \$4.00 gold Stella Prf. \$1225.00; 1797 half dollar Very Good \$460.00; Unc. and Proof set Lincoln cents \$800.00.

Over 300 persons had registered at the desk before they ran out of registration badges.

Arnold Thorson co-chairman of Upper Midwest Convention is shown at his registration desk.

GRADING STANDARD

PROOF—Coin, a mirror-like finish, especially struck for collectors on polished metal blanks and struck by slower hydraulic press to obtain best feature lines.

UNCIRCULATED—Made for general circulation when minted but never reaches circulation. Has a mint lustre, no scratches, rubbings or mars.

EXTRA FINE & A. U.—about same. Coin is about uncirculated, slightly worn on high points and may have some mint lustre.

V. FINE—Has been circulated but all features and lettering are sharp.

FINE—Has all features and lettering but not sharp. Liberty is readable.

V. G.—Has border rims most features and lines visible. Part of Liberty visible.

GOOD—All features and lines worn but visible.

FAIR—Considerably worn.

POOR—Considerably worn smooth, or corroded, good only as space filler.

This grading is used only as a guide to help you and is a general medium used by all dealers and collectors in the Numismatic field.

POINTS TO LOOK FOR ON SOME POPULAR COINS.

1 CENT LINCOLN: The lines on wheat ear are a good spot to look for wear. On a coin classed as very good most lines should be showing, on a coin graded fine they should be sharp.

5 CENT LIBERTY: E Pluribus Unum is legible on coins graded good, clear on coins graded very good. One graded fine should have full liberty.

5 CENT BUFFALO: On a good coin edge of word Liberty may be slightly worn, but on one graded very good the word Liberty is clear and one-half of horn shows, a fine coin should have nearly a full horn, and coin classed as very fine has full horn and tail shows on hip.

10 CENT MERCURY: Watch lines on fasces, on coins classed very good some fasces lines show, a fine coin should have most all lines.

CENTS BY THE GALLONS

A clipping sent in by a reader from Miami, Fla. showed some 20 gallons of cents in bottles and jugs. This is a collectors' dream. I am sure the Haugh's would of found it more profitable if they were collectors. A savings of 13 years should have uncovered a number of scarce dates.

20 gallons of them, in fact—was the sight which greeted officials at the Dade Federal Savings & Loan Assn. branch, 1901 SW 8th St., when Mr. and Mrs. John C. Haugh, 1899 SW 3rd St., came in to make a deposit. They started saving them 13 years ago at their restaurant, kept right on after they sold out in 1949. With the help of Joseph M. Lipton, Dade Federal president, they counted out 100,000 coppers. The \$1,000 deposit represented a saving of more than 20 cents a day.

Dear Mr. Spadone,

I have just come across a book published in 1925 by B. Max Mehl it's the Star rare coin Encyclopedia and premium catalog, some of the prices to which Mr. Mehl was offering seems ridiculous today. A few samples; 1856 F.E. cent in new condition \$3.00 to \$5.00; 1856 cent F.E. copper \$5.00 to \$90.00; 1877 I.H.C. .5 to 25¢; 08-S cent .02 to .03; 1913 L.H. nickel \$50.00. No premium on either 1883 5¢ pieces 1894-S 10¢ \$50.00 to \$100.00; 1876-CC 20¢ \$15.00; 1893 Isabella ¼ .30 to .50¢; 1838-O 50¢ \$50.00 to \$100.00; 1804 silver dollar fillet-head \$500.00 to \$1,250.00; 1895-P silver dollar in proof only \$1.25 to \$2.00.

PENNY STUMPS MOM, BUT NOT THE X-RAY

DAYTON, Ohio—Mrs. Bette Hedges was stumped when one of her 2-year old twin sons apparently choked on something. She turned him upside down and the choking stopped but the cause didn't drop out.

Later she forgot which twin was choking so she took both David and Douglas to Good Samaritan Hospital for X-rays — and Douglas was found to be one penny richer than David.

COLLECTOR'S CLUB OF BOSTON

No doubt Club News is about done for the Summer. Not so with the Collector's Club of Boston.

True we do not meet during July and August but the Officers and members are still on the "BALL" for new members to be taken in at the Sept. meeting.

As stated before we are the fastest growing Coin Club in the Greater Boston Area. We are still on the Ball during the Summer period. We expect a large list of new members for the Sept. meeting.

We wish for all of our friends "A very Happy and enjoyable Summer Vacation". When we meet in the Fall, if you are near

Boston, please visit with us at the Sheraton Hotel, Boston, on Sept. 11th. We sure will make you welcome.

The speaker for the Sept. meeting will be none other than John J. Kittridge, Past Pres. of the Worcester County Numismatic Society, and Editor for the NENA News. He will have for us an illustrated talk on "COINS OF VENICE". Do not miss this treat.

We also have very fine speakers lined up for the Oct. and Nov. meetings.

The New England Numismatic Assn. will hold the Annual Convention in Boston Oct. of this year. Do not miss this Convention.

Mr. James Ford Clapp Jr. Pres. of NENA has arranged a very fine program for this Convention. The Collector's Club will always welcome anyone to our meetings and will make you welcome.

THE NEW JERSEY NUMISMATIC SOCIETY

The 282nd meeting of the N. J. Numismatic Society was held on July 12, 1957 at Military Park Hotel, Hunting Room, Newark, N. J. There were 15 in attendance which is not unusual for the heat wave is with us and the members have a tendency to look for cooling seaside breezes. Arthur Mershon presided and the Secretary read the minutes and communications. It was decided on to vote last years A.N.A. Representatives on in office for another term. The designation for the evening, "California", was represented by James P. Ward who brought a comprehensive group of small California gold coins both round and Octagonal, a five dollar Moffet gold coin XF., a five Dollar Bechtler Gold Coin 140 gr. Rutherford variety, illustrated in Standard Catalogue of U.S. Coins. J. A. Brown brought a strange and curious exotic collection of Chinese Coin Weights and pieces bought from the recent Leo A. INSPECTION OF BOURSE TABLES AND EXHIBITS

AUCTIONEERS VIEW OF HIS AUDIENCE

THE MANSFIELD STAMP-COIN CLUB'S FOURTH ANNUAL CLUB SHOW-AUCTION.

We were very pleased to have an attendance of nearly 1,000.

Philatelists and numismatists from throughout Ohio and various parts of the United States attended the show. Dealers represented such cities as Mansfield, Ashland, Cleveland, Worthington, Wooster, Lakeside, St. Henry, Akron, Columbus and Pittsburgh.

More than 150 persons attended the action of 400 lots of coins and stamps which got under way at 1 o'clock in the Kingwood Center Workshop. Auctioneer Zody Miller of Wooster, Ohio conducted the auction very successfully in a matter of four hours.

Hundreds of visitors toured the 42 displays and bourse tables which were set up in the Exhibit Hall and in the open courtyard at the center. Many of the displays received awards which were very decorative Rosette Ribbons presented by the Mansfield Club. Judges for presentation of the awards were: Mr. Joseph Shaw, Mansfield, Mr. Michael Kolman, Cleveland, Ohio, Mr. Link Anderson, Minneapolis, Minnesota and Mrs. R. R. Bennighoff of Ashland, Ohio who presented the ribbons.

Display considered by the judges to rank "best of the show" was Mr. Robert Howmans display of Canadian and United States coins all of which were set in plastic and very well captioned. Other awards for senior displays went to, first, U.S. fractional currency by Mr. Edwin Morr, Ashland, Ohio, second, United States silver dollars by Arthur Q. "Doc" Himes, Mansfield, third, U.S. gold mintage by Leo Thomas Ashland, Ohio, and honorable mention to medals and decorations of Germany and Rumania by Mr. Earl Seifley, Mansfield, Ohio. Junior Coin awards for his display of coins of the world and United States mint errors, first and second, went to David Solomon of Mansfield, Ohio.

The \$11,000. rare 1913 Liberty head nickel loaned for the show by Mr. J. V. MacDermott, of So. Milwaukee, Wisconsin ranked number one on the visitors list of displays to see. A complete set of 1938 Presidential Stamps on First Day Covers displayed by coin dealer Elmer Ray of Lima, Ohio also drew a host of anxious on-lookers.

As General Chairman of the show and auction I would like to thank the following people and organizations for without their assistance and co-operation the Mansfield Stamp and Coin Show would never have ranked as the best Mansfield has ever had presented:

The Flying Eaglet Coin Journal and the many magazines and newspapers who published notices and articles of our show and auction. . . . Also the officers and members of the Mansfield Club.

Dale E. Bricker, Pres.
